EARMARK DECLARATION

HON. ANDER CRENSHAW

OF FLORIDA

IN THE HOUSE OF REPRESENTATIVES

Friday, July 24, 2009

Mr. CRENSHAW. Madam Speaker, I rise today to submit documentation consistent with the Republican Earmark Standards.

Requesting Member: Congressman ANDER CRENSHAW

Bill Number: H.R. 3293—Labor, Health and Human Services, and Education and Related Agencies Appropriations Act, 2010

Account: Elementary & Secondary Education (includes FIE)

Legal Name of Receiving Entity: Best Buddies Florida

Address of Receiving Entity: 124-A East Colonial Drive, Orlando, FL 32801

Description of Request: I have secured \$250,000 in funding in H.R. 3293 in the Elementary & Secondary Education Account for Best Buddies, FL, Orlando, FL for mentoring programs in the 4th Congressional District for elementary and secondary school students with disabilities.

The purpose of this funding is to enhance the lives of those with intellectual disabilities by facilitating interpersonal communication through the pairing of those with and without intellectual disabilities into long-term one-on-one mentoring friendships.

This is a valuable use of taxpayer funding because it would organize and rigorously oversee volunteer-run Best Buddies chapters in middle schools, high schools, and colleges across Florida, including 24 in the 4th district.

There are no matching funds required for this project.

Requesting Member: Congressman ANDER CRENSHAW

Bill Number: H.R. 3293—Labor, Health and Human Services, and Education and Related Agencies Appropriations Act, 2010

Account: Elementary & Secondary Education (includes FIE)

Legal Name of Receiving Entity: ChildHelp
Address of Receiving Entity: 15757 N. 78th Street, Scottsdale, AZ 85260

Description of Request: I have secured \$250,000 in funding in H.R. 3293 in the Elementary & Secondary Education Account for Childhelp, Inc, Scottsdale, AZ to develop a comprehensive update to the Good Touch Bad Touch curriculum.

The purpose of this funding is to give the first comprehensive update of Good Touch Bad Touch curriculum in over 20 years.

This is a valuable use of taxpayer funding because Childhelp, in collaboration with the Monique Burr Foundation, is the only provider of child abuse education in North Florida schools.

There are no matching funds required for this project.

Requesting Member: Congressman ANDER CRENSHAW

Bill Number: H.R. 3293—Labor, Health and Human Services, and Education and Related Agencies Appropriations Act, 2010

Account: Elementary & Secondary Education (includes FIE)

Legal Name of Receiving Entity: University of North Florida

Address of Receiving Entity: 1 UNF Drive, Jacksonville, FL 32224

Description of Request: I have secured \$250,000 in funding in H.R. 3293 in the Elementary & Secondary Education Account for the University of North Florida, Jacksonville, FL for the Virtual School Readiness Incubator.

The purpose of this funding is to continue the 3rd year of a 5-year study that field-tests tools and strategies needed to accelerate the quality, growth, and success rates of early care and learning programs resulting in improved readiness outcomes for the children, particularly for children living in low-income neighborhoods.

This is a valuable use of taxpayer funding because improving high-quality early care and learning experiences has a high return on investment and is the single best investment for improving achievement, especially for children from low-income families.

There are no matching funds required for this project.

Requesting Member: Congressman ANDER CRENSHAW

Bill Number: H.R. 3293—Labor, Health and Human Services, and Education and Related Agencies Appropriations Act, 2010

Account: Higher Education (includes FIPSE)
Legal Name of Receiving Entity: Tallahassee Community College, Tallahassee, FL

Address of Receiving Entity: 444 Appleyard Drive, Tallahassee, FL 32304

Description of Request: I have secured \$200,000 in funding in H.R. 3293 in the Higher Education Account for the purchase of equipment at Tallahassee Community College in Tallahassee, FL.

The purpose of this funding is to support STEM education by allowing the purchase of equipment for organic chemistry, the payment of salaries of science faculty members and interns, and the purchase of supplies.

This is a valuable use of taxpayer funding because increasing the number of students obtaining post secondary degrees in STEM fields will provide a workforce that is prepared to ensure a healthy economy, respond to national security needs, and enhance quality of life through technological advancements.

There are no matching funds required for this project.

Requesting Member: Congressman ANDER CRENSHAW

Bill Number: H.R. 3293—Labor, Health and Human Services, and Education and Related Agencies Appropriations Act, 2010

Account: Health Resources and Services Administration (HRSA)—Health Facilities and Services

Legal Name of Receiving Entity: Daniel Memorial, Inc

Address of Receiving Entity: 4203 Southpoint Blvd., Jacksonville, FL 32216

Description of Request: I have secured \$500,000 in funding in H.R. 3293 in the Health Resources and Services Administration (HRSA)—Health Facilities and Services Account for facilities and equipment at Daniel Memorial, Inc in Jacksonville, FL.

The purpose of this funding is to build the Mental Health Residential Treatment Center.

This is a valuable use of taxpayer funding because the Daniel Memorial is the oldest not-for-profit child-serving agency in Florida, but has not had any major renovations at its Belfort campus in 40 years. The 7,722 square-foot facility would serve as central facility for psychiatric and medical assessments; psychiatric and mental health counseling; group

therapy; and vocational, educational, recreational and other therapeutic activities.

There are no matching funds required for this project.

Requesting Member: Congressman ANDER CRENSHAW

Bill Number: H.R. 3293—Labor, Health and Human Services, and Education and Related Agencies Appropriations Act, 2010

Account: Health Resources and Services Administration (HRSA)—Health Facilities and Services

Legal Name of Receiving Entity: Florida Community College at Jacksonville, FL

Address of Receiving Entity: 501 W. State Street, Jacksonville, FL 32202

Description of Request: I have secured \$250,000 in funding in H.R. 3293 in the Health Resources and Services Administration (HRSA)—Health Facilities and Services Account for facilities and equipment at Florida Community College in Jacksonville, FL.

The purpose of this funding is to purchase a clinical simulation laboratory to train nurses.

This is a valuable use of taxpayer funding because while there is an 8% position vacancy rate in nurses in the state of Florida, 52% of qualified applicants were turned away because nursing schools do not have the resources to train new nurses.

There are no matching funds required for this project.

Requesting Member: Congressman ANDER CRENSHAW

Bill Number: H.R. 3293—Labor, Health and Human Services, and Education and Related Agencies Appropriations Act, 2010

Account: Health Resources and Services Administration (HRSA)—Health Facilities and Services

Legal Name of Receiving Entity: Jacksonville University

Address of Receiving Entity: 2800 University Boulevard North, Jacksonville, FL 32211

Description of Request: I have secured \$250,000 in funding in H.R. 3293 in the Health Resources and Services Administration (HRSA)—Health Facilities and Services Account for facilities and equipment at Jacksonville University in Jacksonville, FL.

The purpose of this funding is to purchase clinical simulators and software to train medical students and hospital staff how to use electronic medical records.

This is a valuable use of taxpayer funding because the widespread adoption of health information technology has the potential to save millions of dollars and improve the quality of health care, but nurses and other hospital staff still lack the training to become competent in health information technologies.

There are no matching funds required for this project.

Requesting Member: Congressman ANDER CRENSHAW

Bill Number: H.R. 3293—Labor, Health and Human Services, and Education and Related Agencies Appropriations Act, 2010

Account: Health Resources and Services Administration (HRSA)—Health Facilities and Services

Legal Name of Receiving Entity: Lake City Community College

Address of Receiving Entity: 149 SE College Place, Lake City, FL 32025

Description of Request: I have secured \$250,000 in funding in H.R. 3293 in the Health Resources and Services Administration

(HRSA)—Health Facilities and Services Account for purchase of mobile clinical training laboratories at Lake City Community College in Lake City, FL.

The purpose of this funding is to create 2 mobile labs with patient simulators to provide clinical training to 130 nursing students.

This is a valuable use of taxpayer funding because despite rising unemployment, there are numerous high wage nursing jobs in north central Florida that remain vacant due to insufficient training resources. Associate degree jobs that start at more than \$20/hour provide one of the few reliable high wage occupations in the region. Jobs like these are critical to recovery from the economic crisis for residents of north central Florida.

There are no matching funds required for this project.

EARMARK DECLARATION

HON. BRETT GUTHRIE

OF KENTUCKY

IN THE HOUSE OF REPRESENTATIVES

Friday, July 24, 2009

Mr. GUTHRIE. Madam Speaker, pursuant to the Republican Leadership standards on earmarks, I am submitting the following information regarding earmarks I received as part of H.R. 3293, the Departments of Labor, Health and Human Services, and Education, and Related Agencies Appropriations Act, 2010
